- Such Accounting Policies have been selected and applied consistently subject to deviations stated in the notes to the accounts and such adjustments and estimates have been made for preparation of accounts that are reasonable and prudent so as to give a true and fair view of the state of affairs of the Company at the end of the financial year ended on 31st March 2020 and loss of the Company for the year.
- Directors have taken proper and sufficient care for the maintenance of adequate accounting records in accordance with the provisions of the Companies Act, 2013 to safeguard the assets of the Company and to prevent fraud and irregularities.
- The directors had prepared the annual accounts on a going concern basis; and
- The directors had devised proper systems to ensure compliance with the provisions of all applicable laws and that such systems were adequate and operating effectively.

15. Explanations or comments by the Board on every qualification, reservation or adverse remark or disclaimer made—

1) By the Statutory auditor in his report:

Qualified opinion:

- a. *There was no significant production during the year and purchases made during the year were NIL. There is very small outward movement in the inventory during the year. The quantity of closing inventory is almost what it was last year except shortage during the year. No physical verification was done by the management during the year.*

Comments of the management: This point is self-explanatory and need not require any further explanation. In view of ongoing CIRP, the operations came to a halt and thus no production takes place. No purchases were thus required. The small outward in inventory occurred prior to assuming office by RP and was sold as scrap only at a miniscule price as compared to its original purchase price. The shortage in inventory,

to the extent reported, happened on account of normal wear and tear and spillages on account of rains etc. since stock was kept in the open.

- b. *Sundry Debtors of Rs. 20,80,08,392.29 outstanding for the period exceeding three years as per information given to us and records produced before us by the management, despite of various letters written by the management to them there is no recovery in these accounts and no balance confirmations are available. No provision on this amount was made during the year. In our opinion it is prudent to make full provision on this outstanding amount of Rs. 20, 80, 08,392.29. This will have impact on the loss for current year up the extent of provision.*

Comments of the management : The Board noted same, and find it favorable for the company to make full provision on this outstanding amount of Rs. 20,80,08,392.29 in the coming financial year. The Board is in view to make new policies to combat with the associated losses.

2) By the company secretary in practice in his secretarial audit report;

According to Section 204 of the Companies Act, 2013 and Rule 9 of Companies (Appointment and Remuneration of managerial Personnel) Rules, 2014 (including any statutory modification(s) or Re-enactment thereof, for the time being in force), every listed company is required to obtain 'Secretarial Audit Report' from an Independent Practicing Company Secretary. The Company is covered under the ambit of the above section.

The Board of Directors had appointed M/s. P. Talesara & Associates, Company Secretaries, having Membership No.: FCS- 2674, as the Secretarial Auditor of the company for the FY 2019-20.

The Secretarial Audit Report in form MR-3 for the financial year 2019-20 is annexed herewith marked as **Annexure-I** to this Report and it does not contain any adverse remark.

16. Corporate Governance

The Company being listed on the SME Emerge Platform of National Stock Exchange of India Limited; is exempted from provisions of corporate governance as per regulations 15 of the SEBI (LODR) Regulations, 2015. Hence no Corporate Governance report is required to be disclosed with Annual Report. It is pertinent to mention that the Company follows majority of the provisions of the corporate governance voluntarily to the extent required.

17. Particulars of loans, guarantees or investments under section 186 of Companies Act, 2013

There were no loans, guarantees or investments made by the Company under Section 186 of the Companies Act, 2013 during the year under review and hence the said provision is not applicable.

18. Particulars of contracts or arrangements with related parties:

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

The Company is under Corporate Insolvency Resolution Process (CIRP) of the Insolvency and Bankruptcy Code 2016 (IBC) in terms of Order passed by the Hon'ble National Company Law Tribunal (NCLT), Jaipur Bench with effect from 7th August, 2019. Its affairs, business and assets are being managed by the Resolution Professional Mr. Naresh Verma appointed as Interim Resolution Professional by NCLT vide its Order dated 7th August, 2019 and continued as Resolution Professional by the Committee of Creditors in its Meeting held on 5th September, 2019 under provisions of the Code. Any prospective and future oriented statements, business outlook and reference to strengths, weaknesses, opportunities and threats are to be read while keeping the above context in perspective.

OVERVIEW:

Incorporated in 1996, Bohra Industries Limited is a publicly listed company and an ISO 9001: 2008, ISO 14001: 2004 and OHSAS 18001: 2007 certified Company engaged in manufacturing of Phosphate fertilizers such as Single Super Phosphate (SSP) & Granulated Single Super Phosphate (GSSP). Company also undertakes trading of Single Super Phosphate (SSP), Granulated Single Super Phosphate (GSSP), Rock Phosphate and other fertilizers depending upon the demand of the customer.

manufacturing facilities are fully automated and PLC controlled and is located at Umarda, Udaipur Rajasthan. Company is well equipped with in-house testing laboratory to test from raw material to finished products as per quality standards and relevant chemical composition as per the required norms specified in Fertilizer Control Order (FCO). Company's in-house testing laboratory regulates and monitors the quality of fertilizers mixtures, packing, marking on the fertilizers bags. The final product has to pass special quality test to ensure that it is of the requisite quality and contains the requisite chemical composition. Company uses BOPP laminated multi colored woven bags for packing of its products. These bags are very attractive, distinct and stand apart in looks from other bags and are easy to handle and facilitates easy stacking as well. Apart from providing quality products at an affordable cost, our company also emphasizes on the product reach through its distribution network. Company has set up vast marketing network all over the Country for easy availability of fertilizers to farmers and presently operating in seventeen states across the country. The company has built Market capabilities and Distribution network to meet out the requirement in domestic markets & continually strives to enhance market presence as well as explore new markets & territories for growth.

INDIAN ECONOMY OVERVIEW:

Agriculture, in India, is the largest sector of economic activity. It provides food, raw materials and above all, the employment to a very large proportion of population. The national output depends on the output in agriculture, as it is one of the most dominating sectors in India. For the same reason, it has to provide the capital required for its own development and make available surplus for national economic development. At the same time, the exports of primary produce earn valuable foreign exchange which can be used to import capital goods for the development of industry and infrastructure. Because of all these reasons, an improved and efficient agriculture is a necessity in our economy. The vital role of agriculture arises out of the position the agrarian sector occupies in the overall economy of the country. 80 percent per cent of the population resides in the rural areas and 72 per cent of the work force depends on agriculture for their livelihood.

Agriculture is the back-bone of the Indian economy, and hence, the very existence of economic activities of entire population in the country is dependent on the state and health of its agriculture sector. Since last 40 years, the fertilizer industry in India has grown tremendously. The Government is keen to see that fertilizer reaches the farmers in the distant and hilly areas. This is the reason why it has been decided to decontrol the prices, distribution and movement of phosphate and other fertilizers. Some steps are

implemented to assure an increase in the supply of chemical fertilizers at reasonable prices. In India, Fertilizer Industry is accelerating fertilizer consumption by fixing, on the one hand, low and similar price for identical nutrient in fertilizers, and on the other hand providing the manufacturers ample compensation through the retention price and subsidy scheme through NBS. Due to such corrective steps, the fertilizer nutrient demand has gone up. Govt. has initiated DBT for farmers which would further push the consumption in long run and ease up blocked funds of manufacturers with government and improve working of the fertilizer sector.

OUTLOOK AND PROSPECTS:

Fertilizer is the most crucial substance to soil to improve plants' growth and yield. First used by ancient farmer's and since then fertilizer technology has evolved significantly in last few years as the chemical needs of growing plants were discovered. Modern synthetic fertilizers are composed mainly of nitrogen, phosphorous and potassium compounds and

the secondary nutrients are added. Company has recently forayed into premium Zincated SSP. The use of synthetic fertilizers has significantly improved the quality and quantity of the food available today and additionally the government's ambitious target of doubling the farmer income by 2022 will further boost the consumption of fertilizers.

(1) Industry structure and developments:

The fertilizer industry in India consists of three major players; The Government owned Public Sector undertakings, Cooperative Societies like KRIBHCO, IFFCO and units from Private sector. There are about 33 major producers producing N, NP and NPK fertilizers in the country at present. There are about 106 SSP fertilizer manufacturers producing almost 3600K MT. The fertilizer industry of India had made constructive use of the fertilizer subsidy provided by the Government of India to ensure that the country achieved reasonable self sufficiency in food grain production. The fertilizer industry has organized itself through Fertilizer Association of India to coordinate with the Government of India to achieve the macro-economic objectives related to agricultural sector and to provide other services. Indian fertilizer industry has succeeded in meeting almost fully the demand of all chemical fertilizers.

CONCERNS:

Our Company's future costs and revenues will be determined by demand/supply situation, government, policies, subsidies available and prices of raw material.

Risk and Government policy risk, competition risk: In the fertilizer industry and pretty much any other commodity. Companies' revenue depends on fertilizer prices and the quantity of fertilizer companies sell. Fertilizer prices are driven by industry capacity, rivalry (competition among firms), and marginal producers cost, proximity to customers, inventory, and demand. Demand, in turn, is driven by fertilizer prices, crop economics, currencies, cycles, economic activity, and macro factors like subsidy programmes of government. Crop economics consist of factors like crop inventory, crop demand and supply, and crop prices, which depend on economic activity, food consumption, diet patterns, crop yields, nutrient application, weather, plantation, and energy consumption.

OUTLOOK:

It's universally accepted that the use of chemical fertilizer is an integral part for raising the agricultural production to a higher level. Studies conducted by the Food and Agricultural Organization of the United Nations (FAO) have established beyond doubt that there is a close relationship between the crop yields and fertilizer consumption. More over the nutritional requirement of different crops could not be fully met with the use of organic manures like FYM and other bulky organic manures like neem cake, castor cake, groundnut cake etc. for want of their availability in adequate quantities. And increasing agriculture production by increasing cultivation area is no longer possible as cultivable and left over is only marginal and decreasing. Further a considerable cultivable land is being diverted year after year for housing and industrial etc. Hence self sufficiency in food lies in increasing the yield per hectare through adoption of modern agricultural technology. Fertilizers have the advantages of fast movement in bulk and need based.

Internal Control Systems and their adequacy:

The Company has clearly laid down policies, guidelines and procedures that form a part of the internal control system which provide for automatic checks and balances. The Audit committee reviews the effectiveness and efficiency of these systems to ensure that all the assets are protected against loss and that the financial and operational information is complete and accurate.

Audits are finalized and conducted based on the internal risk assessment. Significant findings are brought to the notice of the Audit committee of the Board and corrective measures recommended for implementation. Our work opportunities and competitive compensation policy helps us in attracting and retaining our personnel.

Human relations:

The company lays special emphasis to the human resources function in our organization and believes. The company has an elaborate performance evaluation system in place involving goal setting, and periodic reviews involving confirmation and annual reviews.

The review sessions impress upon several aspects of the professionals careers such as career and competency development, financial rewards and recognition. We endeavor to link careers to competencies, individual preferences and organizational needs. The compensation package has a fixed component and a variable component linked to the corporate and individual performance.

Safety:

Safety management is integrated with the Company's overall environment, health and safety (EHS) management system and zero accident is taken up as the Company's goal. The following measures have been taken by the Company:

- Identification of hazard and risk present in work environment and its rectification.
- Continuous monitoring of unsafe condition and unsafe acts through safety inspection.
- Safety induction training for all employees and specific job safety awareness programs on a continuous basis.

Our factory is well equipped with required facilities including machinery, crane, conveyor belt, other handling equipment to facilitate smooth manufacturing process and easy logistics. We endeavor to maintain safety in our premises by adhering to key safety norms. Our manufacturing process is completely integrated from procurement of raw materials and final testing and packing of fertilizers for direct use of our customers.

Environment friendly operations:

Environmental protection is a prime concern for us and we are aware of our core responsibility to the society in this regard.

Cautionary Statement:

Statements in the Management Discussion and Analysis Report describing the Company's objectives, projections, estimates, expectations may be forward looking statements within the meaning of applicable securities laws and regulations. Actual results could differ materially from those expressed or implied. Important factors that could make a difference to the Company's operations include, among other things, economic conditions affecting demand/supply and price conditions in the domestic and overseas markets in which the Company operates, changes in Government regulations, tax laws and other statutes and incidental factors.

AUDITOR'S REPORT

TO,
THE MEMBERS OF
BOHRA INDUSTRIES LIMITED

Pursuant to an order of the Honorable Company Law Tribunal, Jaipur ("NCLT") dated August 7, 2019, Corporate Insolvency Resolution Process ("CIRP") of the Company had been initiated and Shri Naresh Verma (IP Regn. No. IPA-002/IP-N00054/2017-2018/10106) had been appointed as the Interim Resolution Professional (RP) under Insolvency and Bankruptcy Code 2016 ("Code"). Further the Committee of Creditors ("COC") constituted during the CIRP confirmed the appointment of Shri Naresh Verma as the Resolution Professional ("RP") on 05.09.2019. Accordingly, the powers of the Board of Directors was vested in the IRP/RP.

Report on the stand alone Ind AS financial statement.

We have audited the accompanying stand alone financial statement of Bohra Industries (The Company), which comprise the Balance Sheet as at 31st March, 2020, the Statement of Profit and Loss and the Cash Flow Statement for the year ended, and a summary of the significant accounting policies and other explanatory information.

Management's Responsibility for the stand alone Ind AS Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation and presentation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these stand alone Ind AS financial statements based on our audit. We have taken into account the provision of the act, the accounting and

auditing standards and matters which are required to be included in audit report under the provision of the act and rules made there under. We conducted our audit in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India. Those Standards require that we comply with the ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the stand alone Ind AS financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers the internal financial control relevant to the Company's preparation and fair presentation of the stand alone Ind AS financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by the Management, as well as evaluating the overall presentation of the stand alone Ind AS financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified audit opinion on the standalone Ind AS financial statements.

Basis of qualified opinion

1. There was no significant production during the year and purchases made during the year were NIL. There is very small outward movement in the inventory during the year. The quantity of closing inventory is almost what it was last year except shortage during the year. No physical verification was done by the management during the year.
2. Sundry Debtors of Rs. 20,80,08,392.29 outstanding for period exceeding three years as per information given to us and records produced before us by the management, despite of various letters written by the management to them there is no recovery in these accounts and no balance confirmations are available. No provision on this amount was made during the year. In our opinion it is prudent to make full provision on this outstanding amount of Rs, 20,80,08,392.29. This will have impact on the loss for current year up the extent of provision.

Emphasis of Matter:

1. The Balances of overdue Sundry debtors, creditors and advances for materials services and capital goods along with all other personal accounts whether in debit or in credit are subject to confirmation, reconciliation and adjustment, if any in books of accounts.

Annexure A to Independent Auditors' Report

Annexure A referred to in our Independent Auditor's Report to the Members of Bohra Industries Limited on the standalone Ind AS financial statements for the year ended 31st March 2020.

1. (a) The company has maintained proper records showing full particulars, including quantitative details and situation of fixed assets.

(b) The company has a phased programme of physical verification of its fixed assets which, in our opinion, is reasonable having regard to the size of the company and the nature of its assets. In accordance with such programme, the management has physically verified its fixed assets during the year and no material discrepancies were noticed by them and the same have been properly dealt with in the books of account.
(c) According to the information and explanations given to us and on the basis of our examination of the records of the company, the title deeds of the immovable properties are held in the name of the Company.
2. The inventory has been not been physically verified by the management during the year. In our opinion this is reasonable as no manufacturing activity took place during the year and no purchases were made during the year.
3. The Company has granted unsecured loans, to companies, firms or other parties covered in the register maintained under section 189 of the Companies Act, 2013. In our opinion and according to information and explanation given to us:
 - (a) Terms and conditions of the grant of loan are not prejudicial to the Company's interest.
 - (b) The company has not granted loans that are repayable on demand.
 - (c) There is no amount of loan granted to companies and firms or other parties listed in register maintained under section 189 of the Companies Act, 2013 which is overdue for more than 90 days.

Annexure B to Independent Auditor's report of even date on the standalone Ind AS Financial Statements of Bohra Industries Limited

Report on the Internal Financial Controls under Clause (i) of Sub- section 3 of Section 143 of the Companies Act , 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Bohra Industries Limited ("the Company") as of 31 March 2020 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013 .

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls , both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India . Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statement, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

- (1) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company ;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
- (3) Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements .

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected . Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Qualified Opinion

1. The procedure of physical verification of Inventory of finished goods, semi finished goods, WIP and consumable stores followed by the management are not reasonable and adequate in relation to the size of the company and the nature of its business. Substantial inventory 3356.879 MT whose valuation comes around Rs. 3,79,28,765 as per management have been reported as short during the year therefore adequate measures to safeguard the inventories should be taken immediately.
2. The Company did not have appropriate internal control system over debtors and creditors confirmation and reconciliation of balances with parties. This could potentially result in material misstatements in company's trade receivables and trade payables.

3. The Company does not have adequate system to monitor and operate the control of depositing undisputed statutory dues with appropriate authorities. This could potentially result in levy of interest and other penal provisions of statutes and have a significant impact on functioning of the Company.
4. There is a material weakness with regard to control over advances given to supplier of goods and services as a result many parties to whom advances were given stand unsettled. There is no control system over confirmation and reconciliation of balances with parties and same may potentially result in write off of advances and have an potential impact on financial statement of the company.
5. In our opinion, except above qualification the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31,2020, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India .
